About Innovation and Technology Show 2024

Innovate & Accelerate: Linking Hong Kong companies with a global network to accelerate innovation

Unlock limitless potential for your Hong Kong-based enterprise at the Innovation and Tech Show in Brisbane, the vibrant city soon to host the Olympics. The Innovation and Technology Show 2024 is your opportunity to connect with Australian investors, demonstrate your pioneering advancements, and expedite your business expansion in an emerging global center.

Over the course of two days, you can leverage this exceptional platform to broaden your professional circle, seek out collaborations, and attain worldwide acclaim for your game-changing innovations.

Get ready to ignite your enterprise's future triumph in the heart of Australia's upcoming Olympics city.

Introduction

The Hong Kong Australia Business Association – Queensland Chapter (HKABA-QLD) is an energetic and committed team with a long tradition in bridging and support networking, investment and trade opportunities between Hong Kong SAR / Chinese companies and Australian enterprises .

Our dynamic team assists members with information on initiating trade with as well as the regulatory and legal framework involved and to disseminate information on trade and investment opportunities. Through the provision of business forums, speaker programs and trade delegation events, we provide a platform for networking opportunities not only among members within Australia but similar Associations around the world.

We value inclusion and diversity, fostering a positive and encouraging culture and attract passionate members who share a common purpose to support one another.

ABOUT INNOVATION AND TECHNOLOGY SHOW 2024

Objectives

The objective of our association is to provide a channel for innovation and technology business between Hong Kong and Australia, a platform to network and the exchange of business ideas. Any business considering expansion to Hong Kong or using Hong Kong as a gateway to China and other parts of the world will benefit from our global network.

Businesses exhibitors are invited to attend member only events including cocktail receptions and business seminars.

Our mission

1. To promote global co-operation, communication exchange and synergy among the Hong Kong business associations worldwide.
2. To provide a unified global voice that will enhance business and investment opportunities in and through Hong Kong.

About HKABA-QLD

Established in 1987, the Hong Kong-Australia Business Association Limited (HKABA) aims to strengthen economic ties between Hong Kong SAR/China and Australia by providing networking opportunities for local businessmen with Hong Kong connections or interest in doing business with Hong Kong organizations in Australia.

The association also facilitates communication on economic development and trade opportunities in Hong Kong SAR/China. The HKABA QLD team is committed to supporting networking, investment, and trade opportunities between Hong Kong SAR/Chinese companies and Australian companies through business forums, speaker programs, and trade delegation events.

Inclusive and diverse, the association fosters a positive culture to support its passionate members in achieving their common purpose.
